## HUGH DEERY CLASSIC 99 • AUGUST 17, 2019

On August 18, 2019 Hugh Deery would be celebrating his 99th birthday. To honor our father and mother, Jody, for their contributions to short track racing and the local community, Rockford Speedway will be presenting the **Hugh Deery Classic 99**, a 99 lap Super Late race on Saturday, August 17th, 2019. We want this to be a great race and a FUN event that will continue for another 99 years! We appreciate your interest in this inaugural event and hope to see you at the finish line!

**Let's Go Racing!  
The Deery Family**

### HUGH DEERY CLASSIC 99 RULES & PROCEDURES

**Qualifying:** All cars will be given two laps of qualifying. The fastest of the two laps will be registered as their official time. If a car misses their qualifying position, it will receive one lap serving as their official time. All cars must register a qualifying attempt for feature race eligibility. The top 12 qualifiers will transfer into the feature field. Odd/Even dashes (full invert, 10 laps), qualifying heats (12 laps, inverted by 6), last chance race (15 laps line-up straight up by qualifying race finish) will be run. In the event that qualifying is cancelled, drivers will draw for heat race starting position and the top four finishers from each of three heats will make up the top twelve feature starters. The remaining cars will run a single last chance race with the top eight finishers transferring into the feature event.

**Feature Line-up:** The top twelve qualifiers will be inverted by the roll of the die plus 5. Positions 13-16 will be the top two finishers of each qualifying heat. Positions 17-20 will be the top four finishers of the last chance race. Position 21 will go to the most recent non-qualified winner of the All Star 100. Position 22 will go to the most recent winner of the National Short Track Championship 200. Track management reserves the right to start more than the scheduled 22 cars.

**Race Procedures:** All cars involved in a caution will fall to the tail of the running order. The last completed lap will be used for all relines. All restarts will be double file (including preliminaries) with the leader out front alone. Lead lap cars will choose their lane (high or low) at the 'cone flag'. Running order will be lead lap cars double file followed by lapped cars and cars involved in the caution lined up single file at the tail of the longest line (either inside or out). The highest running car one or more laps down will receive the "Lucky Dawg" and be awarded one lap to his completed total. If the "Lucky Dawg" moves up to the lead lap, they will be the first car after the lead lap cars in the longest line. Only green flag laps count toward the 99 lap total race. There will be a competition caution on lap 84. Cars electing to pit will restart at the tail of the longest line behind all running cars.

**Tires:** 4 Tire Event: Hoosier 3035 Left, 3045 Right. For tires call Dave Gruenberg 608-513-2278. Tires will be available at track. Qualifying tires will be marked and must be run in all race events. Teams may have **two (2)** used tires for spares to replace flat on rim/damaged tires only. Two used tires must be 4/32 or less of rubber. Only flat tires occurring on the race track, flat on rim qualify as replaceable flat without penalty. Any other change of tires will result in a one lap penalty and driver will not be eligible for any subsequent "Lucky Dawg".

**All other specifications per Rockford Speedway Super Late Model rule book published on [RockfordSpeedway.com](http://RockfordSpeedway.com).  
Transponders Mandatory! Available for rent at track.**
